DAVID OBIAJULU EZEANI

Software Engineer and Writer

Yaba Lagos State 101017, Nigeria

davidezeani11@gmail.com
+2348140301436, +2349063365484

CAREER OBJECTIVE

An inspired Software Engineer with a natural flare for problem solving, a strong foundation in software coding, full-stack (web) development and a passion for leveraging best software engineering practices and frameworks to build scalable and efficient software and web applications. Open to roles that allow me to utilize my technical expertise in Python, JavaScript, and database management to contribute to the creation of innovative and user-friendly software solutions. Eager to collaborate with a dynamic team to tackle complex problems and drive meaningful impact in the world of software engineering and web development.

EDUCATION

Bachelor of Science, Computer Science, University of Lagos, Akoka   Expected Graduation
Present
Senior School Certificate, Science, Kings College Lagos, Lagos Island   2015

SKILLS

Beginner(B) Intermediate(I) Professional(P) Veteran(V)

Developer skills

Python Software development **(P)**, C programming**(B)**

Proficiency in usage of HTML, CSS and JavaScript/ES6, jQuery**(V)**

React.js**(V)** / Type-script**(B)** - Frontend Development and Testing

Django (Backend / Full-stack) Web Development**(P)** PHP**(P)**

Implementation of Django Rest Framework and REST APIs**(I)**

SQL Programming (PostgreSQL, MySQL) SQLite with Django**(I)**

Debugging**(P)**, Version Control with Git**(P)**, Container management using Docker**(B)**

Problem Solving, Understanding of Algorithms and Complexity/ Data Structure**(I)**

Understanding of Computer Logic**(P)**, Entity Relationship**(I)**, SDLC**(I)**

Data Analysis using Jupyter Notebook**(B)**

Other Skills

Proficiency in use of Desktop Publishing Packages (MS office, Google workspace) **(V)**

Thesis Writing, Creative Writing, Screenplay/Script writing, Poem writing**(V)**

Graphic design and Pagination (Corel Draw, Photoshop) **(V)**
